Cooper's Corner
A Message From Cooper Arnold
CCO, Chief Canine Officer

Heidi's Hope for Homeless Animals is staying on the move to feed hungry pets in our community, neighboring communities and across the globe. This month we shipped another pallet of pet food and supplies to Ukraine. This makes a total of five pallets that we have shipped to help feed dogs and cats in Ukraine and to those who fled with their families to Poland. Thanks to our supporters, we are making a lifesaving impact here locally, and now on a global level!

Our global impact and partner coalition expansion started in November when Heidi's Hope for Homeless Animals, Inc. received a donation from a generous donor, Susan, in Nova Scotia. Susan would like to remain anonymous, but her impact is widely known. Her donation, combined with donations from other local generous donors, led to Heidi's Hope for Homeless Animals' Pet Food Bank receiving a tractor trailer from Chewy. The tractor trailer was filled with 24 pallets of Pet Food and supplies. As a result, our Pet Food Bank's coalition has grown to over 20 partners who receive our donations to feed the pet population of the most food insecure. We have extended our partnerships in New Hanover County, as well as Pender, Brunswick, and Onslow counties! Be sure to check out our video above, as well as [here](#).

After two years of pandemic hiatus, we are so excited about the return of The Bow Wow Luau & The Cat's Meow®! Look for more details in next month's newsletter. We are planning a fun and festive celebration--all to save the lives of my fellow dogs and cats in need of a second chance in life!
