## **Summertime is Here... Time for Road Trips with Fido!**

Summertime is here and it is the perfect time to hit the road with Fido! Here are some travel tips to keep your pet safe during summer car trips:

- Always keep your dog safe by securing him in a pet seatbelt or car safety harness.
- Keep your dog cool in the car by putting ice packs wrapped in a towel in his crate. Use a cooling pad as his bed or crate liner.
- Put a sunshade on your car windows.
- Always bring along fresh water and a bowl for hydration.
- Pack a tarp or tent to set up a shady spot if you need to stop.

Roll down windows for your furry friend and enjoy the ride!
